16 March 1960

MEMORANDUM FOR THE RECORD

SUBJECT: Resume of OCB Luncheon Meeting, 16 March 1960

PRESENT: Mr. Dulles, Mr. Douglas, Mr. Gray, Mr. Harr,
Mr. McCone, Mr. Merchant, Mr. Saccio, Mr. Scribner,
Mr. Washburn, Mr. Smith

1. Adenauer-Teller Meeting

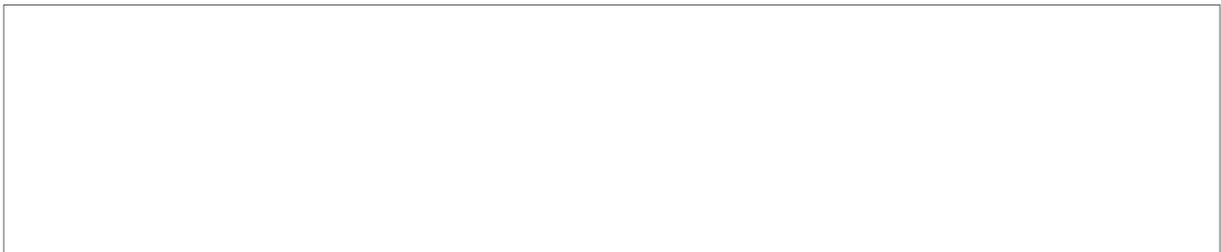

Mr. Dulles asked the Board's opinion of the advisability of holding the rumored meeting between Chancellor Adenauer and Dr. Edward Teller. Mr. McCone replied that the meeting had in fact already been arranged. The opinion was expressed that it might be just as well if these arrangements were not actively pursued.

2. Clearance of Foreign Policy Speeches

Mr. Gray reminded the group that the procedure of clearing any speeches by senior Executive Branch officials which bear on U.S. foreign policy had been confirmed at the last Cabinet meeting.

3. Meeting of the Advertising Council

Mr. Gray reported on the meeting of the Advertising Council held the night before. He commented particularly on the fact that most of the participants in the round-table discussion on Cuba had supported the official U.S. policy, but that Harold Lavine, of NEWSWEEK, had felt that the situation was possibly more serious than seemed to be generally realized.

5. Exploitation of Pioneer V

The Board agreed that a plan should be drawn up by the appropriate working group, designed to capitalize on the scientific achievements inherent in the continuing performance of Pioneer V.
